General information with additions to the exclusive package

Aperitif and menu proposals

Our aperitif and menu suggestions are created for groups of 10 people or more. You are welcome to adapt the order and dishes to your wishes and to coordinate them with our seasonal offer.

Tasting meal

You are welcome to visit us for a tasting meal to get to know our kitchen. We look forward to seeing you! We pursue an active sustainability approach; avoiding food waste is also very important to us. Unfortunately, it is therefore not possible for us to customise the tasting menu one-to-one to the event meal. Our kitchen cooks fresh and seasonal dishes every day, which is why the dishes are selected from the current menu. We are happy to take requests into account after consultation with our Head Chef and taking seasonality into account. We are convinced that you will get a good impression of our cuisine.

We are happy to offer you (the bridal couple) the menu, water and coffee.

Children

Your children are welcome to choose their own menu from our à la carte children's menu.

Wedding cake

Our in-house pastry shop Beschle will be happy to create a heavenly wedding cake for you according to your wishes. Ask us directly and we will request a first offer including prices for you. You are also welcome to have the wedding cake delivered by an external provider. For this, a plate fee of CHF 5.00 per person will be charged. This includes the cake service (presenting, cutting, serving the cake).

Menu cards

We will be happy to prepare the menu cards for you (in colour, with title, picture/logo). This service is free of charge.

Decoration and flowers

Let us know your decoration wishes. We provide our standard seasonal decorations (candles, standard table flowers) free of charge. You are welcome to organise further/larger arrangements with a florist you trust or discuss them with us, and we will order them from our partner florist. The costs for this will be charged accordingly.

We will be happy to help you arrange the decorations on the tables. Please note that we cannot take on larger tasks. We would ask you to carry these out yourself. Thank you for your understanding.

Chair covers

We will be happy to organize chair covers on request from our external partner and charge you accordingly for the costs incurred.

Room rental

As our premises could not be more different, the costs for room hire / minimum consumption must be discussed individually in each case.

Exclusive package

Sound and technology

Our music system and technical equipment are available for your use free of charge.
